

SUMMARY
for
Arkansas Board of Correction
(Arkansas Department of Correction)
Proposed Administrative Regulation
AR 115
Private Industry Employment of
Inmates Within Correctional Facilities

It shall be the policy of the Arkansas Board of Correction and the Department of Correction to expand the Correctional Industry work program by allowing inmates to work for private companies within secure perimeters of correctional facilities. This work program shall operate as a private industry enhancement certification program (PIECP) of the Bureau of Justice Assistance, U.S. Department of Justice.
